Contractual Financial Obligation

Harding Academy must make financial commitments on an annual basis to provide adequate faculty, staff, and other resources to educate its students. Because of those commitments, parents are obligated under the enrollment contract to pay the annual tuition charges for the entire school year unless the enrollment is canceled. The date of withdrawal will be effective the date written notice is received by the school or date sent, if sent via certified or registered mail. Tuition due for a student's canceled enrollment will be prorated according to the following schedule: 25% of tuition for withdrawals February 15–March 2023, 33% of tuition for withdrawals April–May 2023, 50% of tuition for withdrawals June–July 2023, 50% of unused tuition* for withdrawals in August–December 2023, 75% of unused tuition* for withdrawals in January–March 2024, and 100% of tuition if after March 2024.

*Unused tuition means the prorated tuition based on the school days from date of separation to the end of the academic year.
