

Upper School Supplies for 2023-24

Refer to the basic supplies and summer assignment information on page 1 of this list. Every student in 9-12 needs to read that information.

Every student in 9-12 must have these basic supplies—

- Ear buds for iPad (for use in class only, not for the halls)
- A book cover for every book (Brown paper bags covers are preferred. Do not select self-adhesive book covers or contact paper.)
- White loose-leaf notebook paper for each notebook
- Dark blue or black ink pens
- #2 pencils with erasers (lead or mechanical)
- Stylus for iPad (student's choice of kind)
- Highlighters

iPad Apps. Some teachers may designate iPad Apps for students to use throughout the course of the year. Most of these apps will be free, and you should never be asked to purchase a required app on your own. Some teachers have listed specific iPad Apps in their supply lists, and students are expected to have those on their iPads. Please contact the Tech office at support@hardingacademymemphis.org if a required app is not on your student iPad.

Potential Changes. Please note that teachers may make minor changes and/or additions to the supply list when school begins. This list is provided as a courtesy to help you be as prepared as possible for the first day of school.

Tennessee's tax-free weekend begins at 12:01 a.m. on Friday, July 28, and ends Sunday, July 30, at 11:59 p.m. It is a great time to get all of your school supplies for the year, and an especially good time to purchase the expensive calculators that several classes require. Summer Assignments. Look on the Harding Website for summer assignments for these classes: all MS & US English, AP Language & Composition, French II, AP US History, African American History, and AP Environmental Science.

Refer to the basic supplies and summer assignment information on page 1 of this list. Every student in 9-12 needs to read that information.
