# All State

**And just like that, we are at the end.** Each year I get to May and I realize just how quickly things have gone by. Each year it also seems like it is moving faster! I truly believe that is because the year in Band was so much fun and rewarding! Just this semester we have experienced All West auditions and the All West clinic, in which several of our students participated. Jazz Lites was an outstanding show featuring many students and guests. BIG FISH the musical was our next performance with our musical orchestra receiving a nomination for MOST OUTSTANDING STUDENT MUSICAL ORCHESTRA! After our Festival concert, our Senior Wind Ensemble traveled to Disney World to perform on stage at the Disney Imagination Campus. In April, Luke Davis once again traveled to Nashville to represent the Harding Academy Band at All State. Our Junior Concert Band just returned home with a hard earned SUPERIOR RATING in the Music Showcase Festival in Gatlinburg this past weekend! It's been busy!

As we come to our final concert of the year, we celebrate the memories we have made along the way. Band is truly a journey, and I am so thankful to be a part of it this year., These students are amazing, and I am blessed to have them in my life.

Tonight also marks the end of a journey with our Senior Class of 2025. They have been through so much with the band program, and I am so proud of the men and women they have all become. We will enjoy this concert with them, and we will be looking forward to performing with them one more time in their caps and gowns. Thank you, Seniors, for adding your sound and your hearts to our band program.

I hope you enjoy the concert this evening!

See you on the downbeat,  
Colby Canterbury

### **Concert Decorum**

**Applause** is always appreciated. Please hold all applause between movements of the same selection. If in doubt, wait for the conductor's hands to go down. It is inappropriate to applaud a national anthem or a school's alma mater at a formal concert. Hollering, hooting, and whistling are inappropriate at a formal concert.

**Walking** around should only occur during intermission.

**Talking** and whispering should never occur when anyone is performing. Others want to hear. The band members want to be heard.

**Small children** are always welcome at the Harding Band concerts. If the child becomes fretful, feel free at any time, even in the middle of a selection, to slip into the lobby until the episode is over.

**Student seating** is in an assigned area or with parents.

**Gentlemen's hats** should be removed.

**Behavior** should be monitored by parents so that this will be a pleasant evening for all. You may also report problems to the director immediately after the concert.

**Cell phones** and alarm watches should be silenced.

**Flash photography** is forbidden while students are performing.
