iPAD APPS. Some teachers may designate iPad Apps for students to use throughout the course of the year. Most of these apps will be free, and you should never be asked to purchase a required app on your own. Some teachers have listed specific iPad Apps in their supply lists, and students are expected to have those on their iPads. Please contact the Tech office at support@hardingacademymemphis.org if a required app is not on your student iPad.

POTENTIAL CHANGES. Please note that teachers may make minor changes and/or additions to the supply list when school begins. This list is provided as a courtesy to help you be as prepared as possible for the first day of school.

TAX-FREE WEEKEND. Tennessee's tax-free weekend begins at 12:01 a.m. on Friday, July 25, and ends Sunday, July 27, at 11:59 p.m. It is a great time to get all of your school supplies for the year, and an especially good time to purchase the expensive calculators that several classes require.
